

MOTION #8 from 1/26/2019

- Motion by: Ana Coca

I move that we accept the recommended affiliate membership sliding scale fees to take to the HOD.

Seconded by: Dr. Judith Márquez

Discussion

- This scale was developed and presented at the President's Affiliates meeting in September 2018.
- Transparent for members - clarity on membership.
- Create a different scale for BESO - half of the scale.
- There is a lack of clarity on the membership year. Recommendation of a snapshot date. For example, Oct. 1st affiliates send list of members and membership fee based on the sliding scale.
- Review of the constitution. Fee changes can't occur until the HOD. Each year the HOD votes on the membership fees.
- Membership Discussion - Clarity for the Board and Affiliates is needed
 - November 1 - Membership dues go to TABE from affiliates
 - List of delegates needed 7 days prior to the conference
 - Clarity regarding membership year, membership dues from affiliates, and who votes at HOD and elections is needed. Discuss further in **April**.
 - Should we have a snapshot date (Oct. 1) to identify members.
- Email is needed from Joy to affiliate presidents regarding the fees due in November 2019. Those fees will follow the recommended sliding scale if approved at the HOD. The the rest of this membership year, the fees would remain the same \$20 per member.
- Professional Affiliate Membership fees to TABE:
 - 1-50 members of affiliate: \$500
 - 51-100 members of affiliate: \$1000
 - 101-199 members of affiliate: \$2000
 - 200+ members of affiliate: \$4000
- BESO Affiliate Membership fees to TABE:
 - 1-50 members of affiliate: \$250
 - 51-100 members of affiliate: \$500
 - 101-199 members of affiliate: \$1000
 - 200+ members of affiliate: \$2000
- Vote: All were in favor. Motion was approved to take to the HOD.
